Dear Parent/Guardian

Re: Christmas Shoebox Appeal

As part of our 2024/25 commitment to charity, Newtownhamilton High School has agreed to support Vibe's Christmas Shoebox Appeal for Latvia. For information, the staff and pupils of Newtownhamilton Primary School are also supporting this worthy cause.

Please therefore find attached a leaflet which includes all the relevant details of what to include in your shoebox, postage and packaging etc

Having viewed extreme poverty during my trip to Uganda in 2014, it made me realise how fortunate we all are and therefore I would encourage all families to support Vibe by sending in a shoebox **on or before Friday 15th November 2024.**

Thanking you in anticipation of your support.

Yours faithfully

Neil Megaw

Why Latvia?

One in five Latvian children live in poverty. Since 2018 Vibe have been running summer camps for kids and youth in Latvia. We partner with local organisations and orphanages that provide and care for numerous children.

However, at Christmas time many will not receive a Christmas present. We want to change that and put a smile on thousands of faces this year!

Please don't include: scary items, liquids, chocolate, sharp objects, breakables or medicine.
